By:

- 1) The second paragraph in the "Compliance with laws, licensing and DIR requirements" section of the "Notice Inviting Bids" is amended to state the following:

"Bidders and their proposed subcontractors shall hold such licenses as may be required by the laws of the State of California for the performance of the work specified in the Contract Documents. Bidders bidding as the prime Contractor shall possess a valid California Contractor's General Engineering License "A" or California Contractor's General Building License "B" with the appropriate license classifications at the time of contract award and throughout the contract term. The Contractor will also be required to ensure that all subcontractors working on this project are holding valid licenses suitable for their trade."
